DOBECTOR'S MOTE

Born from our desire to amplify all the unique features Studio West Dance Academy's The Beat Box has to offer, we present TRACK CITY!

We are excited to bring Track City back for the fourth year and showcase the amazing talents that walk through our doors every day with our community tonight. Our mission is to leave everyone feeling they are a part of something bigger than themselves. Hip Hop is more than a dance genre; it is a culture and lifestyle.

Although we are guests within this community, we hope to continue down a path of growth and education. As we learn how to navigate and expand the world of hip hop, we continue to use Track City as an opportunity to share our progress.

Tonight, we celebrate our faculty for sharing their passion for this art form with our community, the parents for supporting and facilitating so much for every dancer here, and our guest performers and studios for coming to Olympia to share thier artistry on stage! We anticipate an amazing show, please remember our performers feed off your energy, so GET LOUD and enjoy the show!
