DIRECTORS' NOTE

Born from our desire to amplify all the unique features Studio West Dance Academy's The Beat Box has to offer, we present TRACK CITY!

We are excited to bring Track City back for the fourth year and showcase the amazing talents that walk through our doors every day with our community tonight. Our mission is to leave everyone feeling they are a part of something bigger than themselves. Hip Hop is more than a dance genre; it is a culture and lifestyle.

Although we are guests within this community, we hope to continue down a path of growth and education. As we learn how to navigate and expand the world of hip hop, we continue to use Track City as an opportunity to share our progress.

Sarah Jane has been the heart and soul behind Track City since its very first show five years ago. As the creator of this all-hip hop dance performance, she built more than a show — she created a space that celebrates the artistry, energy, passion, and community of hip hop dance. For 14 years, Sarah Jane has been an incredible instructor at Studio West Dance Academy, inspiring dancers with her unmatched talent, creativity, and contagious energy. Her passion for teaching and love for her students have left a lasting impact on everyone lucky enough to dance beside her. While we will miss her deeply, her legacy will continue to live on through every beat, every performance, and every dancer she inspired

We anticipate an amazing show, please remember our performers feed off your energy, so GET LOUD and enjoy the show!
