SCHOOL & THEATRE INFORMATION

STUDIO WEST DANCE ACADEMY

Studio West Dance Academy offers classes in ballet, hip hop, jazz, tap, musical theatre and contemporary through a nine-month school-year session (September-May) and a seven-week summer session (July-August), plus numerous camps and workshops in June, July, and August.

Studio West is conveniently located and easily accessible to all in the greater Thurston County area. Our studios feature state-of-the-art sprung dance floors and generous space to ensure all ages and abilities have the optimum environment in which to learn.

Our academy's 10,000-square-foot includes: waiting rooms, five studios (including the Beat Box--a studio exclusively for hip hop), three dressing rooms, a costume shop, dance boutique, air conditioning, water bottle filler, and free wi-fi. Visitors are always welcome, so stop in, take a tour and see all we have to offer! Take a virtual tour by viewing our school's facility video at studiowestdanceacademy.com.

PERFORMANCE OPPORTUNITIES

Studio West Dance Theatre presents two full-length ballets a year, the Nutcracker and a spring production-Cinderella for 2027. Past spring ballets include Alice in Wonderland, Coppelia, Giselle, and Peter Pan. Additionally, Studio West presents an all hip hop show, TRACK CITY. This electric hip hop show features talented dancers from across the Pacific Northwest that travel to Olympia to bring their essence to our growing hip hop scene.

Our advanced ballet and hip hop dancers also participate in dance festivals and conventions through our Performance Division program.

ALL SCHOOL SPRING SHOWCASE

Studio West Dance Academy's grand finale production is our all-school Spring Showcase, performed at the Washington Center for the Performing Arts. This incredible performance weekend is for our youngest dancers to our most advanced.
